

**OPRA Partnership Opportunity**  
**2025 OPRA Aquatics Symposium**  
**October 24, 2025**

Partnership opportunities are now available for the 2025 OPRA Aquatics Symposium. The Aquatics Symposium is an event to provide professional development for today's aquatics professionals. It features nationally known speakers in aquatics and ample opportunity for networking and conversation between these key decision makers in the aquatics field.

Our 2025 event will be held at the Groveport Links Golf Course (just south of Columbus) on October 24th. Using past attendance numbers as a guide, we expect 60-80 registrants for this full day event.

Partnership opportunities include:

**Presenting Partner \$2500 (SOLD)**

The presenting partnership includes "Presented by" naming rights in all marketing and communication materials related to the 2025 OPRA Aquatics Symposium, one eight foot display table at the event, an opportunity to speak to attendees as the beginning of the event, verbal recognition and logo placement throughout the event, a list of all attendees, and up to four complimentary registrations.

**Lunch Partner \$1500 (SOLD)**

The lunch partnership includes signage designating the company has sponsored the 2025 OPRA Aquatics Symposium lunch, one eight foot display table, verbal recognition of the company before and after lunch and throughout the event, a list of all attendees, and two complimentary registrations.

**Coffee Partner \$1000 (One available)**

The coffee partnership includes signage designating the company has sponsored the 2025 OPRA Aquatics Symposium coffee station, one eight foot display table, verbal recognition of the company throughout the event, a list of all attendees, and two complimentary registrations.

**Session Partner \$500 (Three available)**

The session partnership includes an opportunity to speak for 2-3 minutes about the company prior to the introduction of an event speaker, one eight foot display table, verbal recognition and logo placement throughout the event, a list of all attendees, and two complimentary registrations.
